The Alcalde

Carolyn,

Well, here we are, just two more weeks until — you know what I'm talking about. We've been best friends for more than three years now and it seems that through these years we've always had one goal in mind. And now we can reach that goal. Fantastic, huh?! We've been through a hell of a lot over the last year and I think we've learned alot.

I'm so excited about the future. Who knows where you and I will be this time next month.

Well, I guess I better shut-up and go away for now. Just remember that no matter what happens God is always there and he always wants to help if you'll only let him. Remember: I'm here too!! Let's stay friends forever! So far nothing or no one has been able to break us up and let's keep it that way.

Love ya,

Kandy

Carolyn,

You're a real sweet
& cute girl with a

For really great girl who I have enjoyed knowing for a little more that fower years. We had some really great moments together with the choir and the great church of God we attend. (Calvary Baptist.) I remember the first trip to Brownsville Tour Bstch and you always sat pretty close to me and my girlfriend. We had some really great times together on that trip and others like the one to Canada. We were and are very lucky to be a part of Calvary. I hope we still can have some good times together in the future.

Pride In Achievement

The school's academic program is a composite of numerous plans, hard work, and mental attitudes.
Through reading and conversing, the student extends his culture and better understands the problems of the community, state, and nation.
He is offered the facilities of the classroom to enlarge his interests, to increase his knowledge, to bring him closer to the truth, and to cultivate habits of industry and soundthinking. The student must have the pride and will to bravely overshadow doubt, anxieties and frustrations and gain that sense of fullfillment—
The sensation of accomplishment.

Board Approves New Buildings

The School Board is the catalyst behind the Tyler Independent School System. The members of the board compose the rules and regulations that cover the behavior and attitude of all students. If the students comply with those rules, the school can be run easily and efficiently. The board approved several plans this year including the raising of cafeteria lunch prices. They also began consideration of a new field house and band hall for John Tyler.

Principals Head The Lion Pride

John Tyler's major advisers are Mr. Alvis Hanna, Principal, and Mr. Alvin Anderson and Mr. Leon Woods, Assistant Principals. Mr. Hanna starts the year off with sophomore orientation. He keeps the school system running smoothly, and always shows fairness in situations that arise. Mr. Woods and Mr. Anderson are kept busy issuing locks and looking after the building and school grounds. They issue admittance slips to students who are tardy or ill and can always be found at school functions. All three men have the duty of taking care of disciplinary problems which may occur.

Language Barriers Are Broken

Foreign Language courses introduced other cultures through the study of literature and customs. Students were able to gain a better understanding of the way of life of people whose language and country are unlike our own. Through Spanish, German, Latin, and French, bridges were built to narrow the gap between the domestic and the foreign.

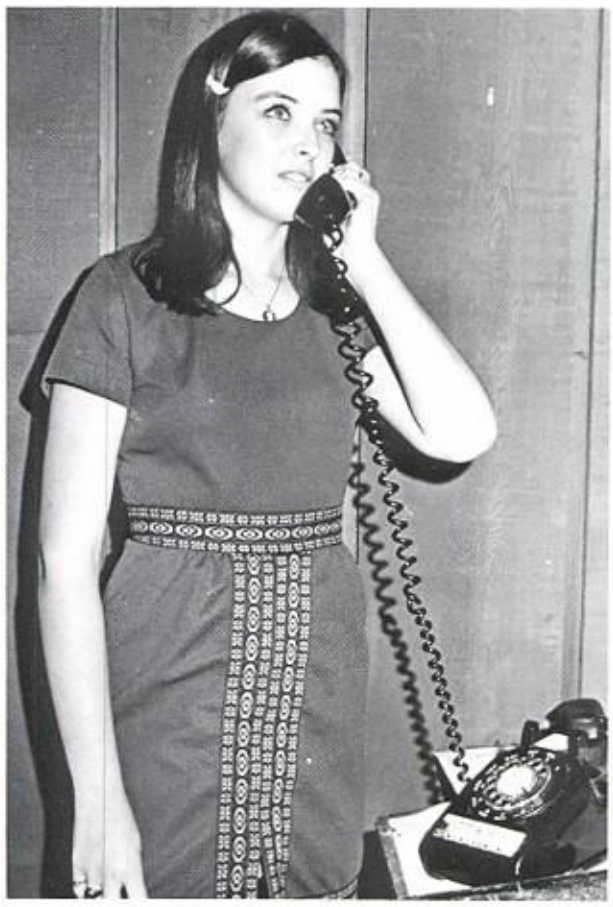
Business Goals Are Set

Business courses included typing, bookkeeping, shorthand, recordkeeping, business machines, business law, and clerical practice. Each of which was offered for those students intending to enter jobs or job training requiring secretarial, clerical, or bookkeeping skills.

Mechanics Learn Useful Trade

Automobile Mechanics as a two year program prepares its students for initial employment in the automotive industry through the development of salable skills. Shop work includes practical jobs and related cooling and electrical systems, automatic transmissions, steering linkage, and shop management.

Top: Danny Temples and Jimmy Johnigan watch Ken Sheppard as he changes spark plugs.
Above: Jerry Daniels, Willie Beam, Gary King, and Edward Bircher examine engine heads during auto mechanics.



Community Jobs Are Fulfilled

The goals and objectives of Vocational Office Education are directly related to the manpower needs of the nation. Employment opportunities are found in areas of manufacturing, product distribution, service organizations, and government agencies. Classroom studies are divided into three major categories of secretarial, bookkeeping, and general clerical office employment for more pertinent instruction to the individual student.

Top Left: Patti Kimball is receptionist for Bryan Ralph Architecture.
Top Right: Linda Gardner is busy typing statements for Sprmiell, Lowry, Potter, Lasater, and Guinn Attorney's at Law.

Lab Sessions Broaden the Scope of Understanding

Biology, chemistry, electronics and physics were the three classes joined together forming the science department. Biology classes studied living matter from the smallest amoeba to the largest mammal, while chemistry students concentrated on the elements and their reaction to applied laws and theories. Physics enthusiasts experimented with energy in heat, mechanics, light, sound, and electricity. Each course was undertaken to provide a better understanding of the world around us.

A Challenge Is Open for the Mind to Answer

The infinite problems and equations of mathematics were once again proven and disproven by the theories and rules of Related Math I and II, Algebra I and II, Geometry, Trigonometry, and elementary analysis. Doors were opened to the many uses and possibilities of mathematics through application to problems and situations. No problem remained unsolved.

The Demand for Welders is Increasing

The increased use of welding in industry has brought about many new welding techniques which give a favorable outlook for the employment of welders who have acquired Metal Trade skills. John Tyler's two year program in Metal Trades, consists of three hours of shop work and instruction in the application of brazing, oxy-acetylene welding, blue print reading, metallurgy, mechanical drawing, hydraulics, and shop practice.

Job Skills Are Beneficial

Over a four year period Environmental Technology Education classes teach students the principles behind plumbing and then puts the knowledge to use. First year students receive orientation to occupational opportunities and second year students have laboratory study in plumbing and pipe fitting, while juniors receive knowledge in the areas of refrigeration and air conditioning.

Opportunities Offered in the Field of Health

Health occupation classes provide effective economical vocational training with a potential for job advancement. Careers are made available as dental assistants, laboratory aides, orthopedic mechanics, and x-ray technician assistants. Class objectives are to develop understanding, tact, and assurance in interpersonal relationships, as well as to guide students to become qualified employees.

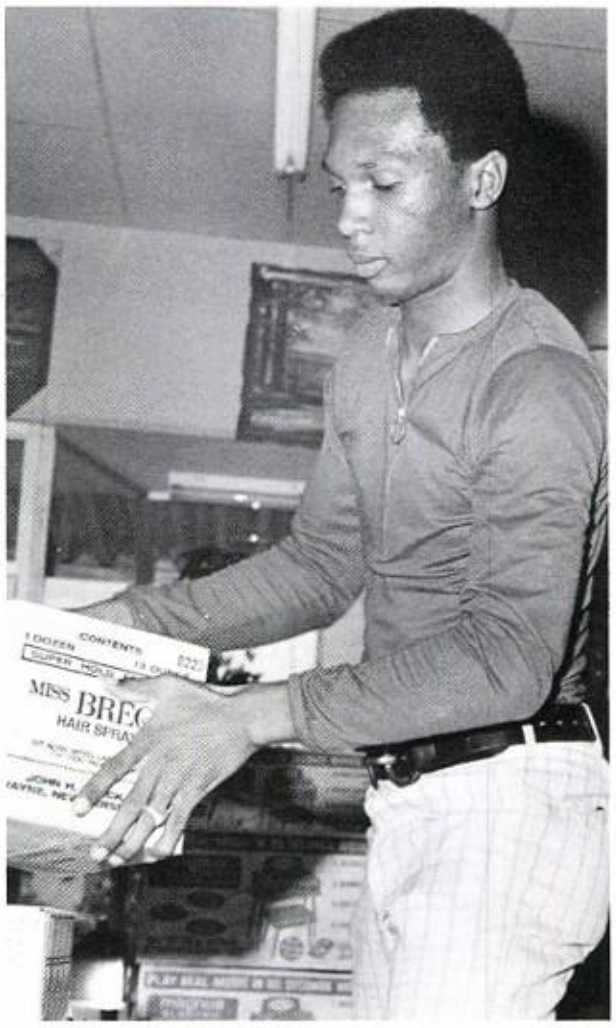
Students Gain Experience Through Selling



With two years of training in the field of wholesale, retail, and service selling through Distributive Education, a student can earn two elective credits toward a high school diploma upon the completion of specified, related study classes. While receiving this training, students are also developing appreciations, attitudes, and work habits that will contribute toward the development of good citizens.

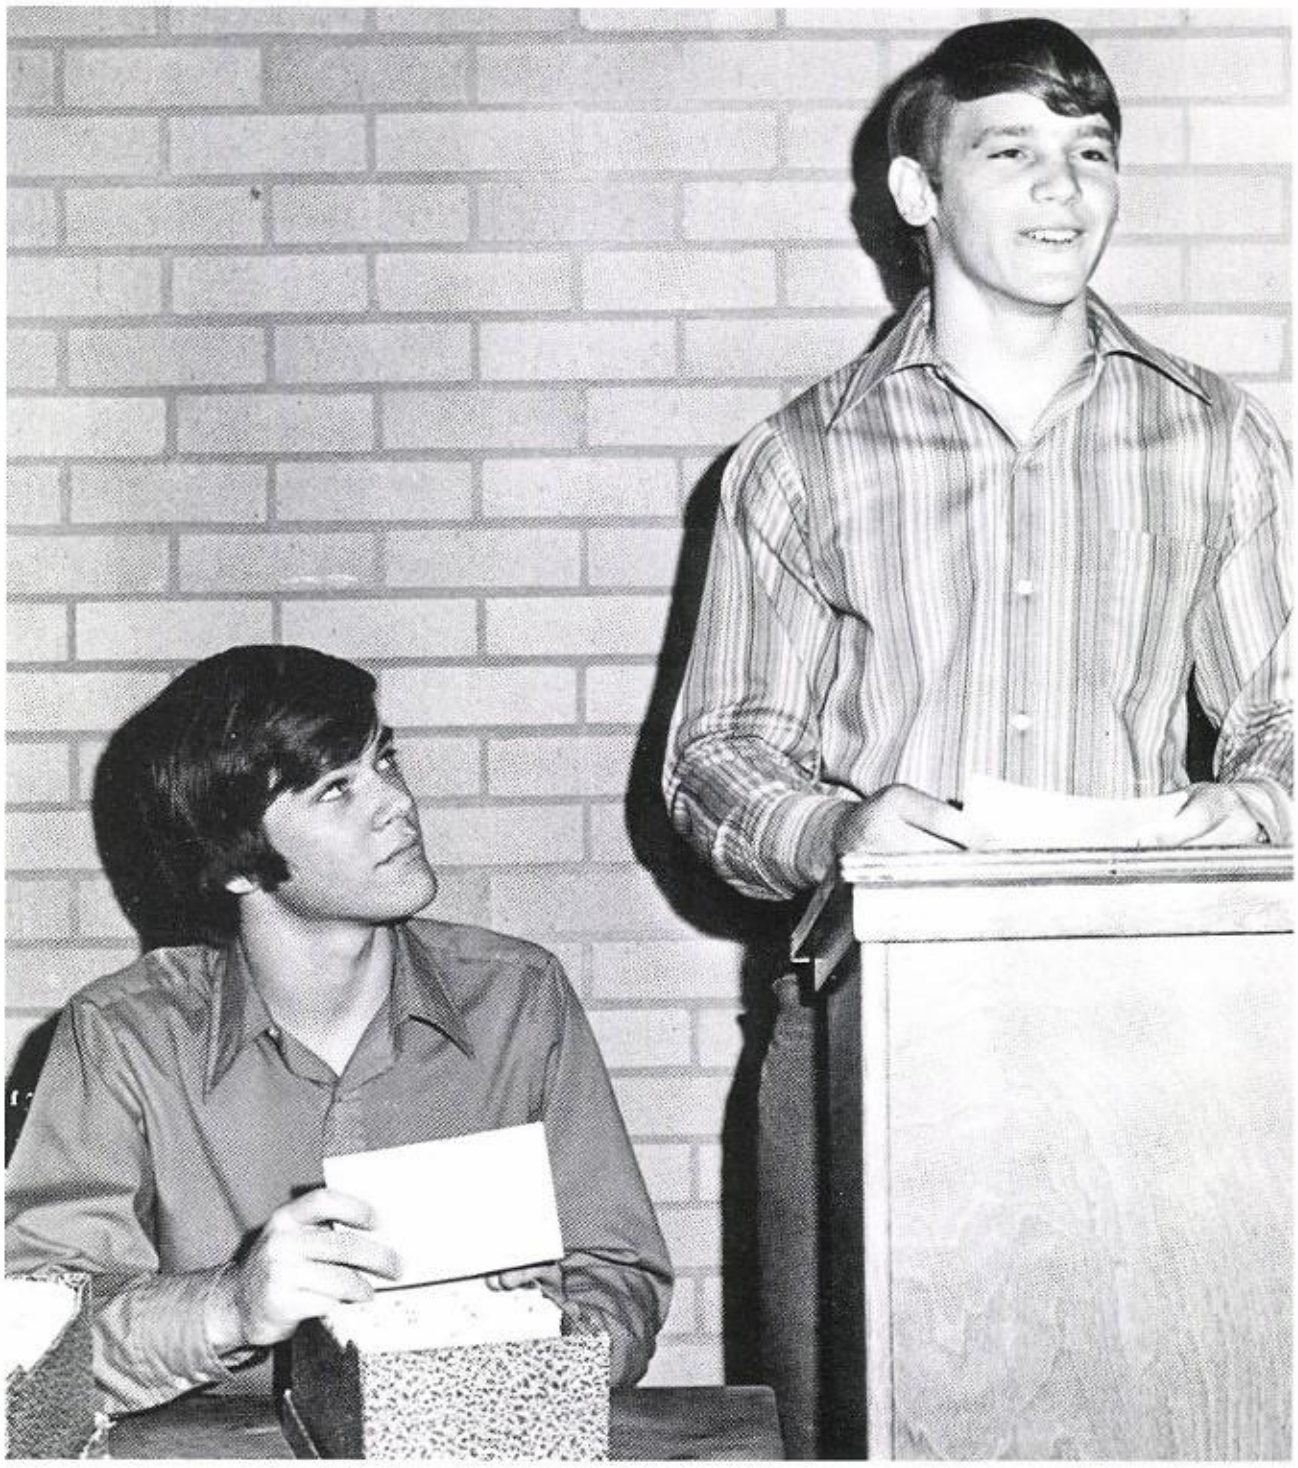
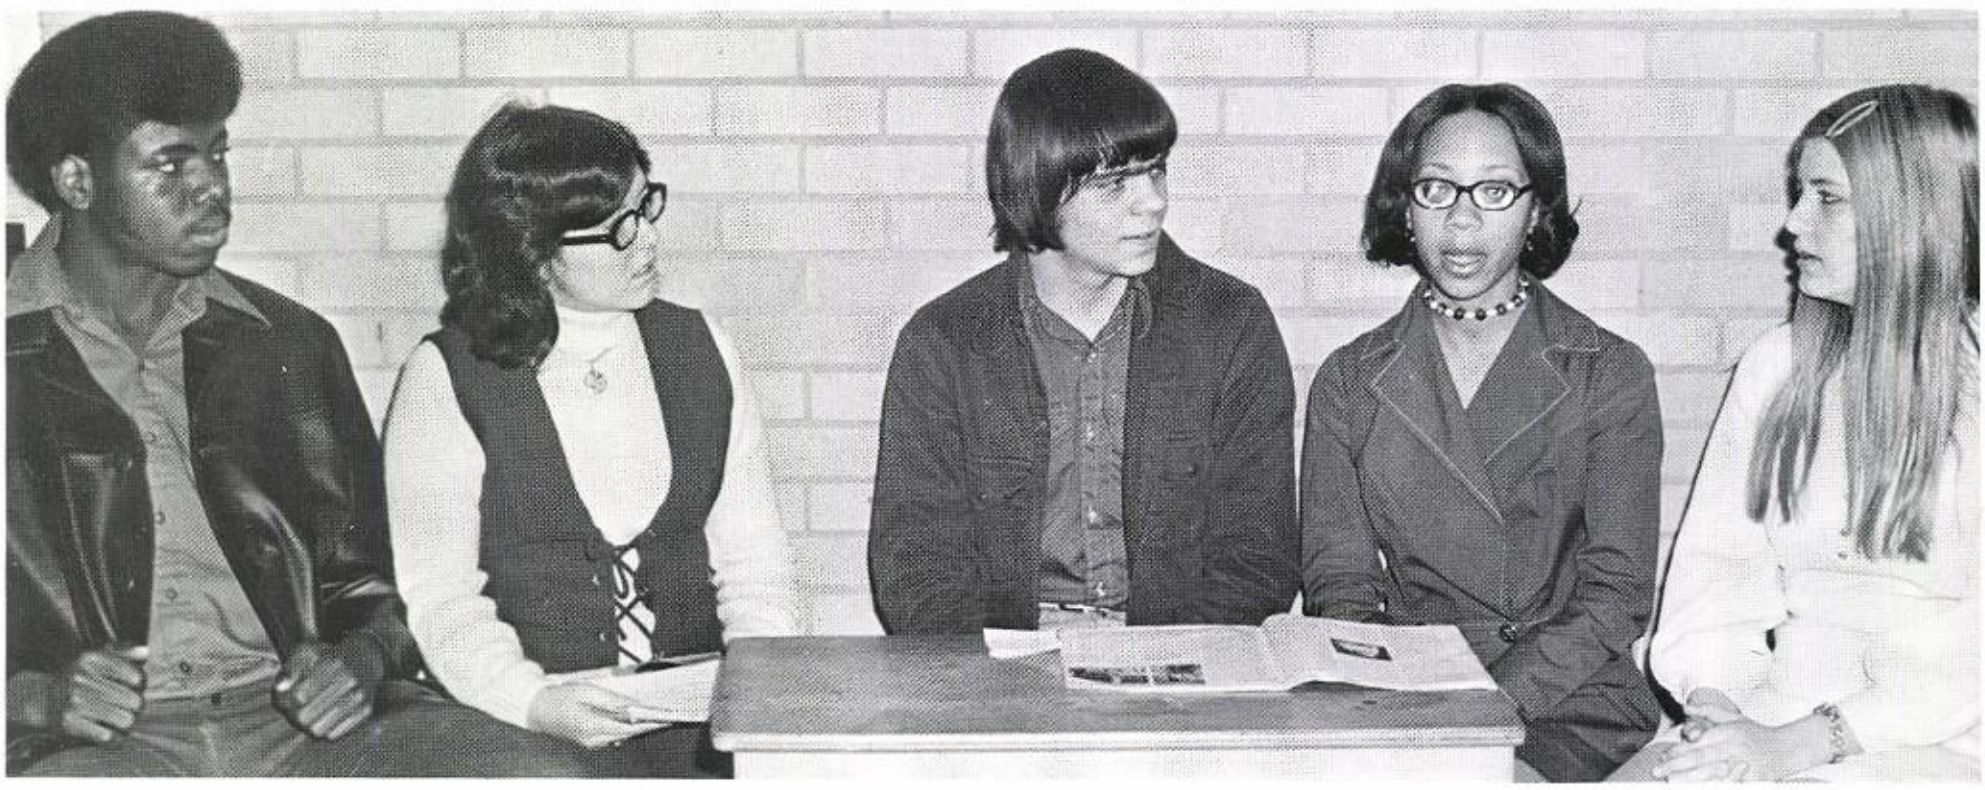
The Floor Is Open For Discussion

Listening habits, speaking clearly, telling stories, reading, giving reports, and following parliamentary procedures were part of the agenda for the year in Speech and Debate. Panel discussions led to many interesting and heated debates. To overcome nervousness and to develop better speaking techniques, many speeches had to be given before audiences.





Top: Hunt Dietz and Dennis Black practice together for an important debate.

Where Is Harvey?

'Harvey', a highly imaginative play about an invisible rabbit was the smashing success of the drama class. There were hours of practice for perfection on line interpretation, action emplasis, and character personification before the big night. However, the production was not the onl activity of the course. There were also studies of stage make-up, play directing, and correct speech, which play an important part in all phases of drama.

New Horizons Are Met Daily

Students in all levels of homemaking are constantly exploring the subjects, of home management, interior decorating, first aid, cooking, and sewing. Along with classroom lectures there are cooking labs, clothing projects, guest speakers, and field trips. Each year the senior classes are responsible for decorating the house built by building trades classes. All activities are aimed toward preparing for better homes and families in the future.

Home Economics Skills Are Used In Vocations

Home Economics Cooperative Education was designed for junior and senior high school students who were interested in employment requiring Home Economic knowledge and skills. Training is conducted through the cooperation of local business establishments while students receive on-the-job training with related classroom instruction.

Career Training Fulfills Jobs For Industrial Demands

Training in woodwork, drafting, welding, and shop come under the class instruction of Industrial arts, as well as the study of blueprints, and drafting. At the same time, electronics, circuit wiring, and radio construction are included. In welding and shop,young men learn the basic fundamentals of construction. Together, these skills and studies lead the way for even more professional careers.

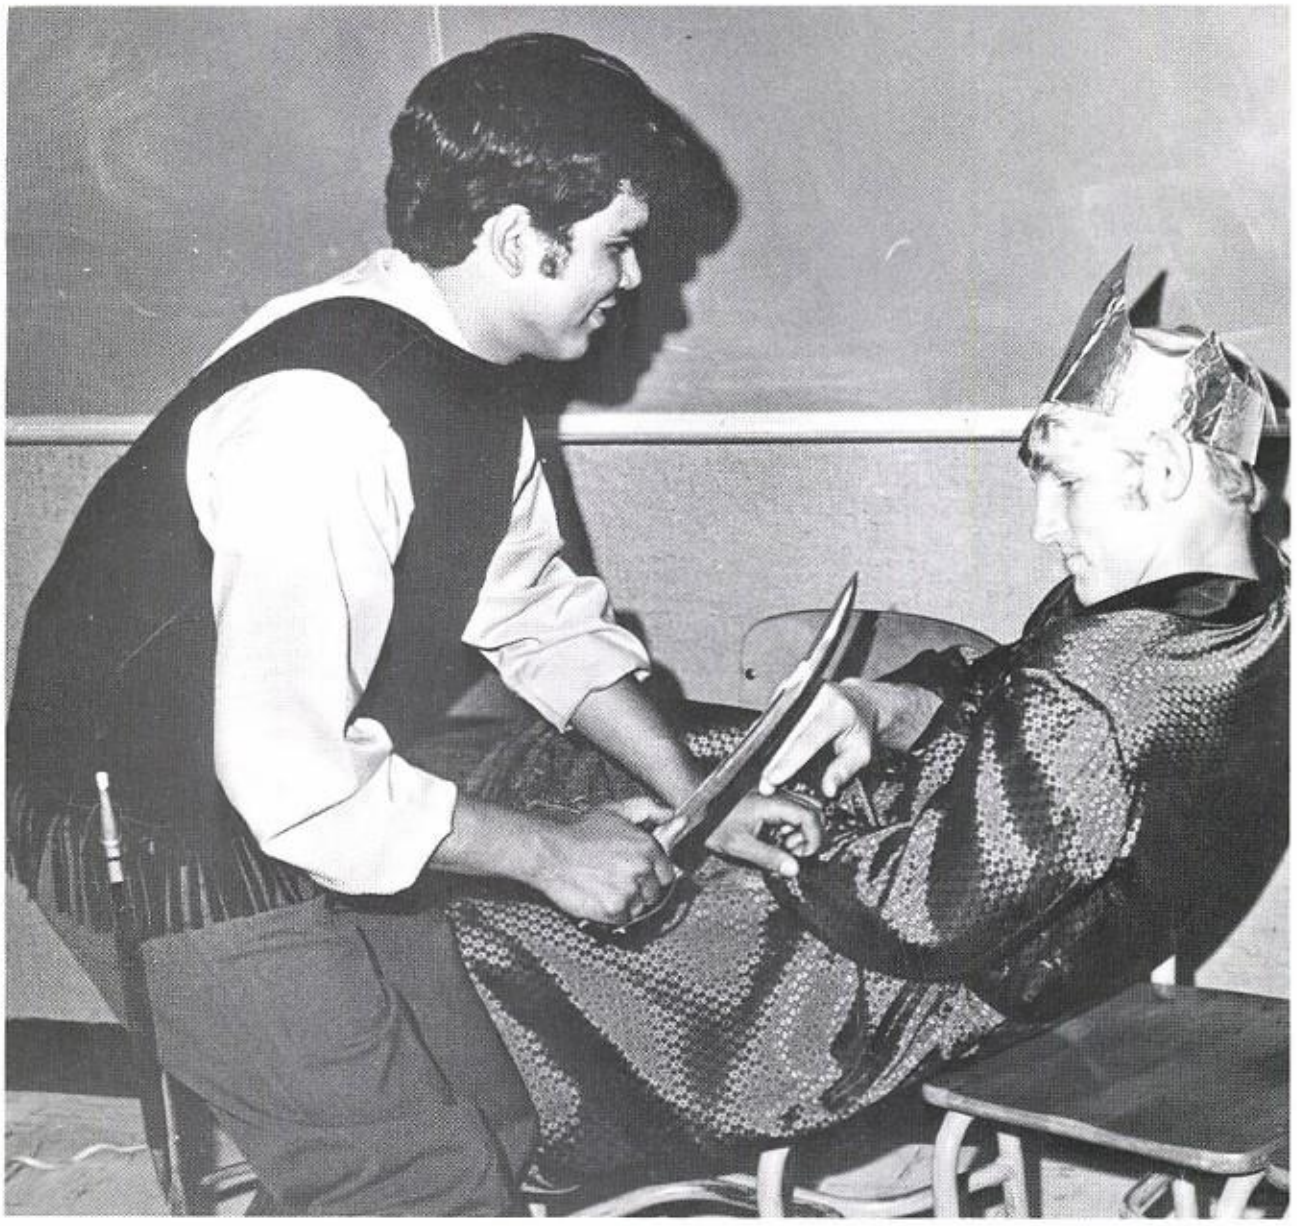
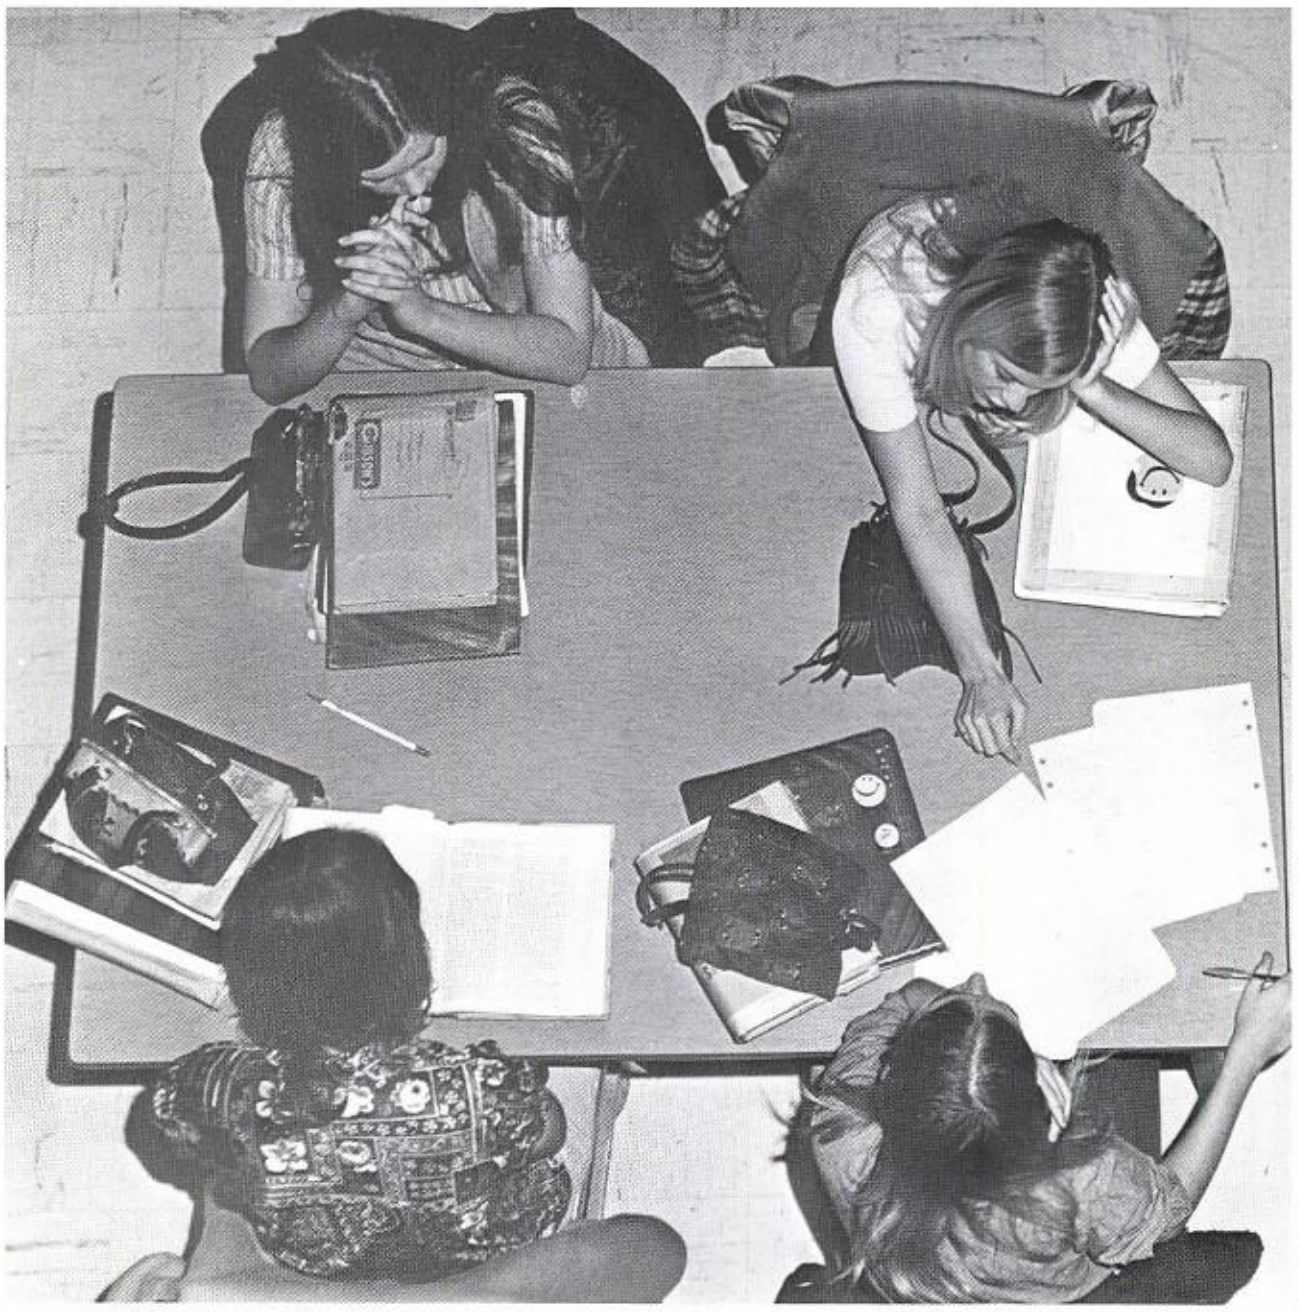
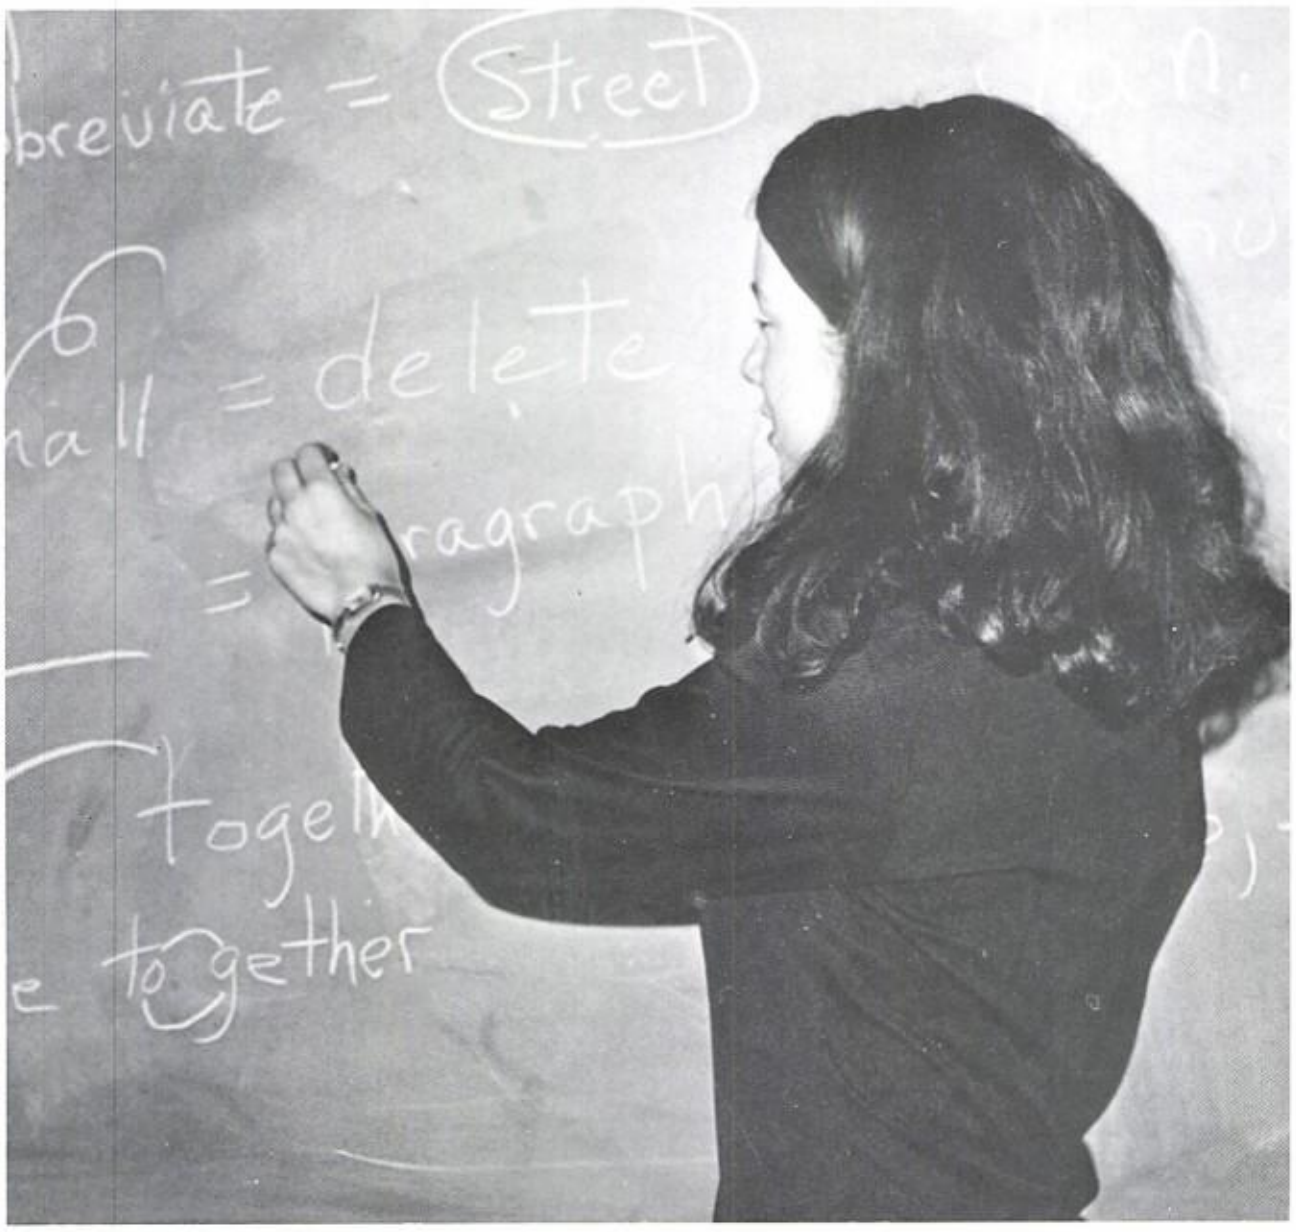
English Opens New Doors

English classes no longer strive strictly on grammar, sentence structure, and punctuation, but are now turning towards the reading and appreciation of literature and expression through composition. This year there were serious studies by seniors of *Becket, Macbeth,* and *Hamlet,*mingled with the more relaxed outside reading of such stories as *The Turn of the Screw, Wuthering Heights, Rebecca,* and *Jane Eyre.* At the same time, sophomore and junior classes were enjoying *The Scarlet Letter, The Ox Bow Incident, Moby Dick,* and learning the rules of composition that would prepare them for the challenge of the next year.



Above Right: Vincente Ortiz and Thomas Blow re-enact the midnight massacre of King Duncan in Shakespeare's Macbeth. *Right:* Four girls from English classes sit pondering their assignments.





Journalists Learn Skills In Newswriting

The goal of each journalism class was to learn to write interesting and informative news stories. An assignment included the writing of current event reports, editorials, headlines, and feature stories. Editors, photographers, and artists for the school paper, *The Lions' Tale* were selected from the second year journalism classes.

Left: Diana Conway is explaining some of the methods of deleting unnecessary words to the journalism class.

Exercise Builds Coordination

Many students looked to physical education classes as a break between study classes without realizing that they were profiting from it through improved physical fitness as well as expanded mental coordination. The many games and exercise programs were planned for better physical fitness.

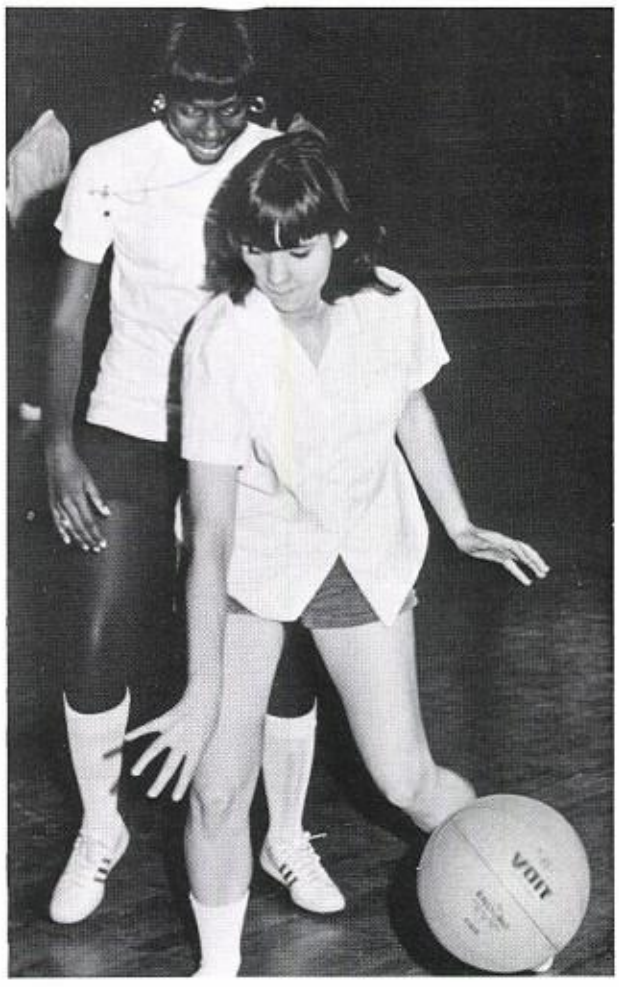
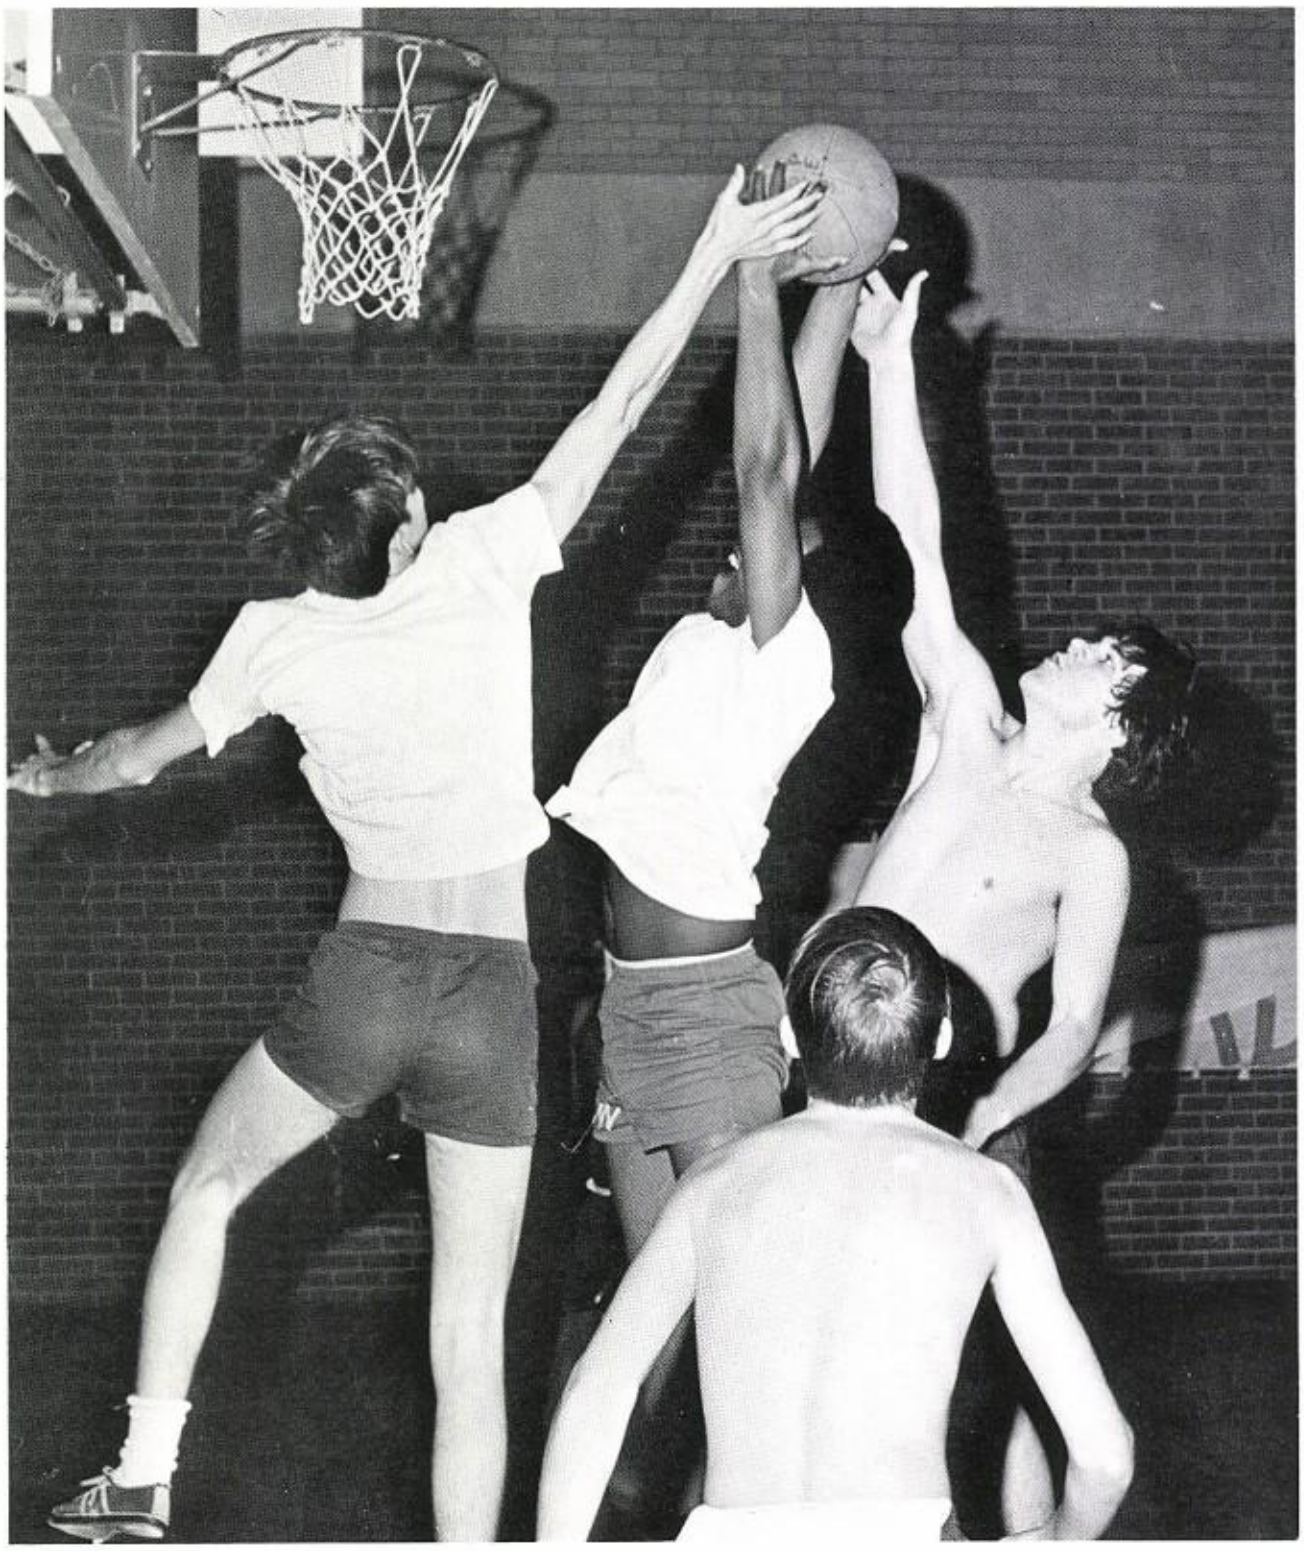
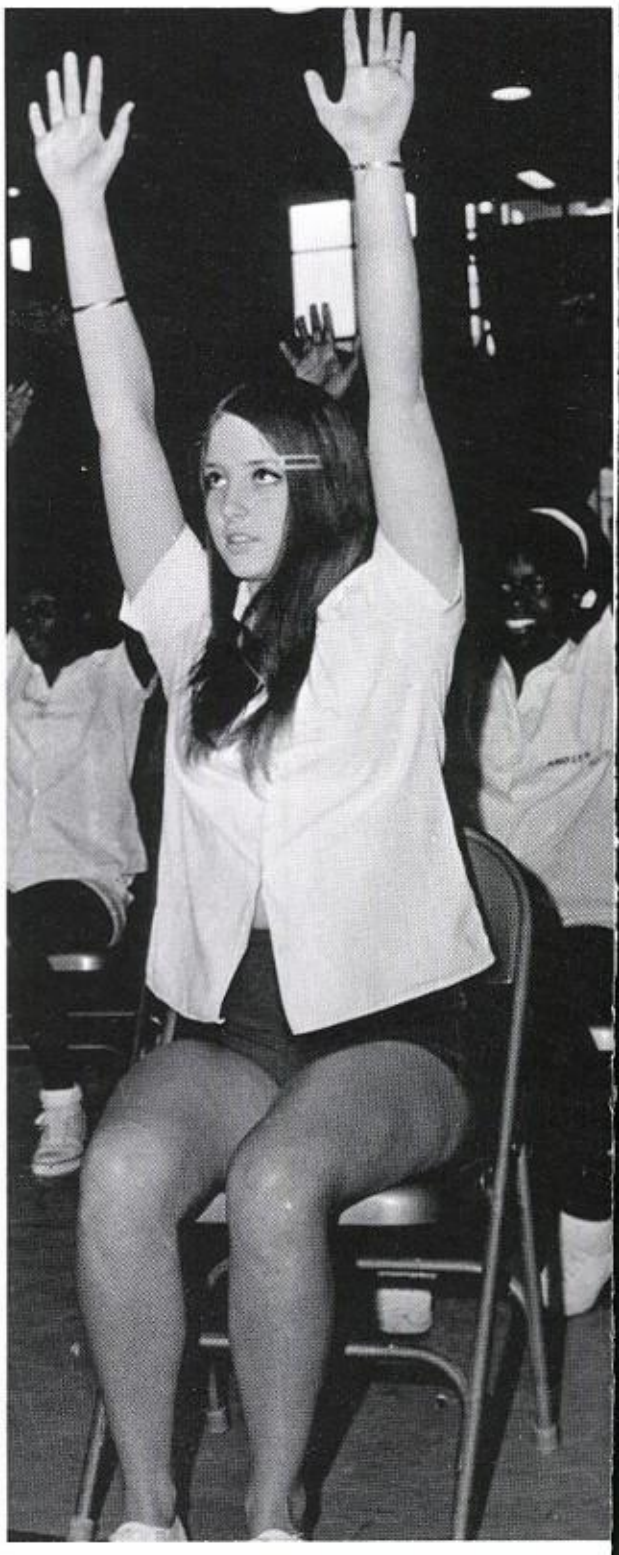
Below Right: Debra Fancher stretches on the count of three during a daily exercise routine.







Art Stimulates Self-Expression

Emphasizing originality, John Tyler art students sought to express themselves in many different medias. Pastels, pen and ink, charcoal, oils, tempera, watercolor, acrylics, were used. Students were encouraged to develop their own style and technique, as well as to gain a better appreciation for art. Stress was also placed on developing freedom of expression by varying the elements of texture, space, tone, line, color, and form.

Above Left: Evelene Seaton tries new techniques on tissue paper collage.

The Past Can Be The Key to the Future

Red China's admission to the U.N., the wage and price freeze, controversy over the Supreme Court vacancies, and Nobel Prize awards were topics for discussion throughout Government, World Political Geography, American History, Economics, World History, and Sociology classes of John Tyler. With the current topics, students learned the troubles, strifes, and accomplishments of the people and generations before us.

Future Farmers Take Pride in Their Stock

Vocational Agriculture Education is designed to prepare young people for employment in occupations requiring knowledge or skills in connection with animal, soil, plant science, agricultural mechanization, and farm management. The course provides technical and practical experience in farming through supervised farming projects as well as developing abilities in leadership organizations.

Local Business Firms Provide Job Openings

Through cooperation with local schools and industrial, commercial, and professional enterprises, excellent jobs and training were provided by Industrial Cooperative Training courses. Participants earned wages in occupations of their choice while developing an understanding of the occupation through classes under the supervision of a teacher-coordinator.

Music, whether it is a march in a band's precision drill or a hymn sung by a choir, can be the most beautiful and expressive form of communication. For music to be truly exciting and meaningful requires perfection through the in depth study of musical composition, techniques, and theories. John Tyler's music department strives to give each student a clearer and more perspective understanding of the elements that combine together to make music truly rewarding.

Construction Progresses From The Ground Up

Building Construction Trades provides a unique vocational program in the fact that the skills and technical knowledge learned by the students are applied through the actual building of a house. Besides the job-site training, the students become familiar with hand and power tools in the fabrication of cabinets, windows, door frames, walls, and roof components, as well as pre-apprentice training in Building Construction Trades.

Pride In Participation

The combination of individuals interests, skills, and knowledge in school organizations promotes both school spirit and pride. Each school activity makes a definite contribution to the life of the student as he learns to accept and practice the art of sociability. While participating in the various activities throught the year, each one has found the experience of thinking as an individual among many, yet acting as only a small part of the entire system. It is the student's way of expressing his individuality, and preparing for future leadership.

Senate's First Year Is Great Success

For the first time in John Tyler history, the Senate was established as the student government. Each class is represented by seven senators elect and three class officers. These students work in co-operation with their sponsor, Mr. Lee Maxwell, and other teachers to promote school spirit. Members of the Senate sold parking permits, student directories, and school supplies through the Senate office in the library. Soc hops, a car bash, a Football Finale for Homecoming Week, a spirit chain, and a rap session were various school projects sponsored throughout the year by the Student Senate.

Dance Ends Football Season

Among other activities, the John Tyler Student Senate Sponsored a number of dances and soc hops. Following each local football game, a soc hop was held to celebrate the Lion victory or compliment the team's try. In November, the Senate sponsored the Football Finale. Entertainment was provided by Sweetbriar, a musical group from Orange, Texas. Shortly after, the Junior class upheld a John Tyler tradition and promoted a Sadie Hawkins Dance.

Initiates Receive Top Honors

Leadership. Responsibility. Service. Sincerity. These things along with a high academic average are the necessary ingredients that comprise the John Tyler chapter of the National Honor Society. This year's inductees were accepted on January 17 and in April. Mr. Tommy Tomlinson, sponsor of NHS says it is a pleasure to work with this category of young people.

Council Launches Teen Jury

The John Tyler Youth Council, sponsored by Mrs. Susie Jones, carried out a series of programs and projects this year that proved beneficial and profitable to our community. Besides starting the Teen Jury system in Tyler, the members also Walked-A-Mile for the March of Dimes. During the Christmas Holidays, the Anti-Shoplifting Campaign and Project Christmas were important activities. The most important project of the year was the Big Brother Campaign, where Youth Council members became the 'adopted' brothers and sisters to children in need of love and attention.

Behind the closed door of Room 5 there is not the usual lectures and assignments of a classroom, but the making of a yearbook. Small in number, fourteen staff members worked together, taking pictures, writing copy, cropping pictures, and laying out pages, to meet the deadlines. The editors attended a workshop in Austin, June 21-26, 1971 and then on December 2,3, and 4, the staff attended the Texas High School Press Association Convention in Denton where last year's book received an all Texas rating. Mr. C. Devers, sponsor, was always on hand to answer questions and solve the everyday problems that arise when putting out a yearbook.

Concert Held At State Fair

John Tyler Marching Lions stepped off to strains of Joyces 71st Regiment and National Emblem, under the baton of the new band director, Mr. James Williams. As a break in the routine of football season the band traveled to Dallas for a concert at the State Fair and then participated in the annual Tyler Rose Parade where they won a trophy for giving the best performance by a AAAA Band. Several presentations for junior high audiences added to the band's most active season.

Four Make All-Region Band

December 11 was an important day for the four J.T. Band students who made the All-Region Band. Debbie Holder placed tenth out of 95 clarinets; Sandy Sinclair placed twenty-third out of the 95; Rodger Johnson placed sixth out of 40 cornets; and Kim Buster, on clarinet, was chosen as an alternate member. There were many other outstanding members, besides these four, who held offices and were a real asset to the John Tyler Band.

Nothing would start feet to tapping or hands to clapping faster than Mr. James Williams and his award-winning stage band. No matter where they were, Spring Festival, East Texas Junior Miss Pageant, or Local schools, they were the best, as was proven by their award as outstanding stage band at the 1971 Stephen F. Austin Stage Band Contest. With the aim of always being the best, they returned to Stephen F. Austin this year to Defend their title.

Band Wins Parade Trophy

The result of many hours of preparation by the Blue Brigade, Cheerleaders, Band, and Lion Guard was displayed on October 23 in the Annual Rose Parade. A product of the Bands effort was a first place trophy for precision marching and playing, presented to their sponsor, Mr. James Williams. The overall endeavors of the participants were rewarded by a gracious reception from the spectators.

Girls Boost Lion Spirit

Left, left, left, right, left came the sound of the Blue Brigade cadence as they marched in preparation for their many performances. The sophomore and junior squads performed lively hand routines during football games and helped to boost Lion spirit. Members of the Drill Team exhibited precision in every halftime performance. Mrs. Roberta Garrison and Mrs. Susie Jones led the Blue Brigade to many highly praised achievements. The extra curricular activities the Blue Brigade engaged in included collecting for the Lions Club and the American Legion.

Pride Inspires Co-Operation

Pompoms, purses, cushions, jackets, hats, hoops, and the Lion Guard silently praying, 'Won't it ever end!', was the frantic scene before all Drill Team performances. The Lion Guard's intelligence led to many interesting activities. The Lee execution, burial, and snake dance, all planned by the Lion Guard, brought the Lee week activities to a peak. But most important, wherever the Drill Team went, they were accompanied by the loyal Lion Guard. The Drill Team spent many hard hour of practice to make all their performances excellent ones. The Drill Team and Lion Guard sponsor is Mrs. Susie Jones.

Mighty Lions Show Roaring Spirit

Happiness, excitement, enthusiasm, and joy were demonstrated by the cheerleaders and students this year as the pep rallies proved a great success in building Lion Spirit. Each pep rally seemed to improve as the year rolled on and the climatic Lee pep rally left the students filled to the brim with Lion pride.

Christian Fellowship Achieved Through Athletics

There comes a time when man gives thanks to his Creator for the many blessings he has received and asks for strength and guidance. The Fellowship of Christian Athletes, sponsored by Coach Corky Nelson, is such an organization dedicated to both man and God. Sponsoring chapels and holding meetings among themselves are chief activities of the club.

Choir Strives For Perfection

Rehearsals in preparation of visits to various junior high schools and Tyler civic clubs demanded much of choral students and Mr. Clyde L. Wolford, choral director for the past 26 years. This year's program contained a variety of numbers including such favorites as 'Where Do I Begin', from the movie 'Love Story', 'The Wonder of You', and a spiritual, 'All You People'. The feature song of the choirs performances was 'Walk into Your World', a new song with a contemporary style and a text particularly fitting young people. New blue robes helped lift the choirs spirits as they completed their year in a performance for John Tyler's annual Spring Festival.

Girls Perform For Lions Club

A performance for the Lions club before Christmas began the singing tour for the Girls Choir. Attired in new white robes rather than identical dresses, the choir made several junior high school appearances which added to a most productive year. Mr. Clyde L. Wolford directed the choir and arranged appearances at several civic clubs. The Girls Choir took part in the annaul Spring Festival along with the other choirs and the John Tyler Band.

Sophomores Gain Experience

Introducing sophomores to the perils and pleasurers of choir life was Mr. Clyde Wolford, sponsor of the Singing Lions. The students were given instructions in music theory, sight-reading, and voice technique to prepare them for A Cappella or Girls Choir. After learning some of the fundamentals of music, the sophomore choir put their knowledge to work when they performed at the White Christmas program.

The John Tyler sponsors of Future Homemakers of America have worked diligently this year in helping to prepare many girls for interesting careers. Girls were urged to work toward different degrees in the organization to further their understanding of themselves as well as others. Several projects undertaken by FHA were collecting eyeglasses, Christmas cards, gifts for the T.B. Hospital and Selling cookbooks.

Before school began *Lion's Tale* staff members were hard at work on the paper in an attempt to provide the school with an accurate, interesting news source. Kept busy with meeting deadlines and selling ads, the staff combined special features, news articles, sports pictures and stories, along with experimental editorial pages, and a cartoon strip to make up this year's *Lion's Tale*. The staff, along with sponsor, Mrs. Linda Rushing, and some Journalism I students, attended the Texas High School Press Association Convention in Denton and the Interscholastic League Press Conference in Austin.

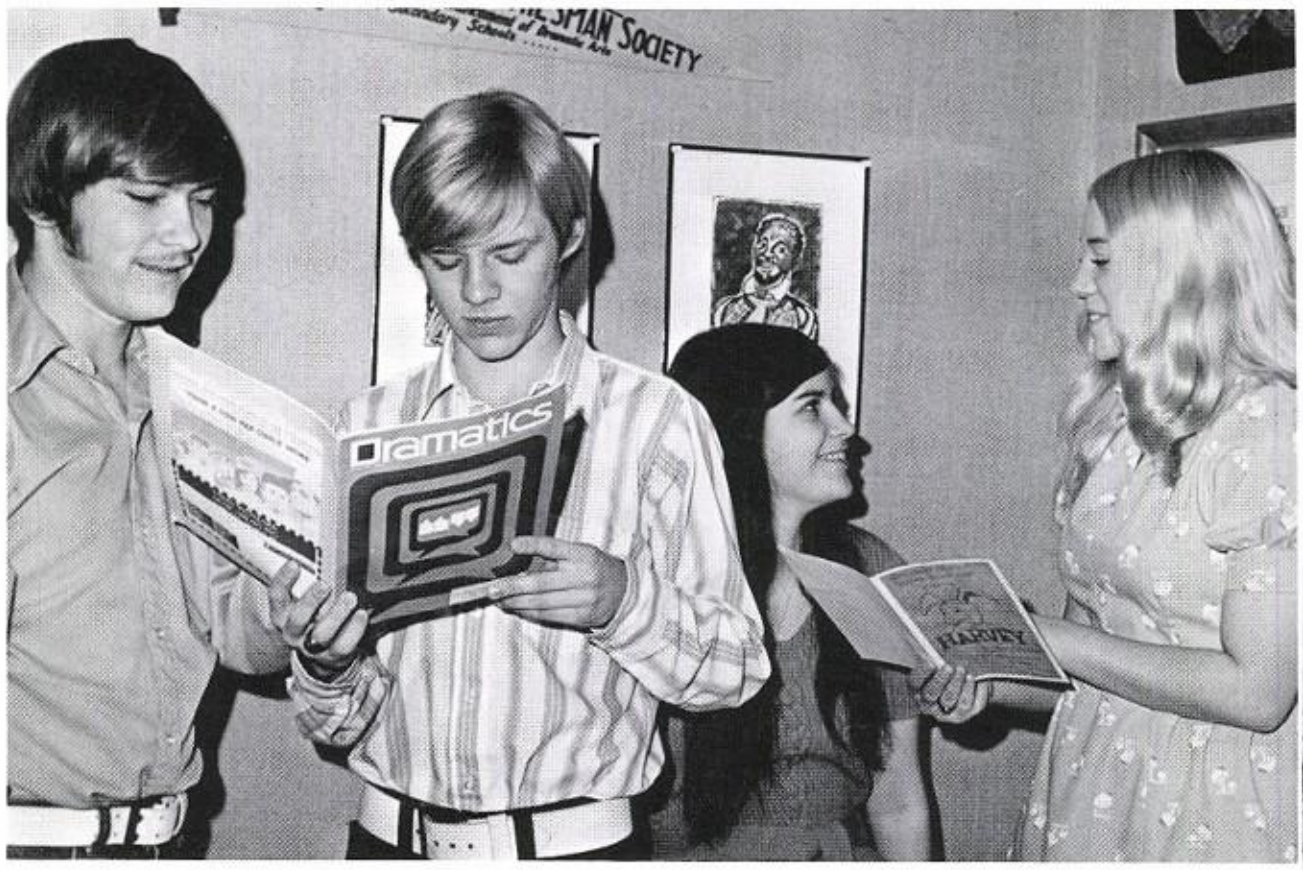
'Harvey' Climaxes Year

Troupe No. 961 of the International Thespian Society, sponsored by Mrs. Helen Jack, strived to establish and advance standards of excellence in all phases of theater arts. During the year an active and intelligent interest was created in dramatical arts by the participation of the club in the production of all plays at John Tyler. The year was highlighted by the production of 'Harvey'.



Above Right: International Thespian Society officers are Rodney Eschberger, Secretary; Keith Stainback, Vice-President; Lynette Long, Vice-President; Pam Campbell, President; Royce Lee, Treasurer (not pictured).

Carolyn,
I hope you know that we've only been kidding you about all that "sophomore" stuff. You're a nice person & I've enjoyed having reading room with ya. Good luck in all you do forever!
Love & Peace,
Lynette

Boys Attend Prison Rodeo

The Future Farmers of America, under the direction of Mr. A. D. Winston, prepares high school students in techniques and principles of farming and ranching. The students participated in many activities, that included chapter, area, district, and national meetings, and a trip to the State Fair. They also sponsored barbecues, parent-son suppers, a trip to the Huntsville Prison Rodeo, and a float in the annual Rose Parade.

Students Gain Practical Skills

Vocational Industrial Clubs of America were represented at John Tyler by Building Trades, sponsored by Mr. W. P. Wellmon, and Metal Trades, sponsored by Mr. Larry Brown. Both clubs promoted high standards in trade ethics, workmanship, scholarship, and safety. Through the leadership of the sponsors, each student was helped to attain a purposeful life. Being a member of V.I.C.A., every member was elligible to attend skill-speed contests held on both state and local levels. Red, white, blue, and gold were the colors proudly displayed by each club along with the National V.I.C.A. Emblem.

Camp Outs Highlight Year

Red, white, blue, and gold were the colors representing the 1970-1971 Auto Mechanics Club. The club strived to promote leadership, citizenship, and attitude through the acceptance of responsibility. The members attended the VICA District VII contest. They also went to hamburger suppers, on camp outs, and fishing trips. Club sponsors are Mr. P. E. Isham and Mr. Norman Williams.

Club Develops Language Skills

The language course of Spanish helps improve grammatical and conversational skills, while the club reaches out to understand the cultural atmosphere of the Spanish people. To promote this understanding, films, spoken entirely in Spanish, were seen by the members. Among the club's many activities were an informal party at the home of the new sponsor, Mr. Leroy Belcher, a banquet at El Chico, a Christmas pinata party, and a trip to Mexico during the Easter holidays.

Football Proves Exciting

Highlighting the school year for the members of the John Tyler German Club was the Texas Association of German Students Convention in Austin. Football and basketball games proved to be another source of recreation and enjoyment. A picnic at state park and a party given by the sponsor, Mr. Douglas Thompson, at his home provided humorous entertainment for everyone.

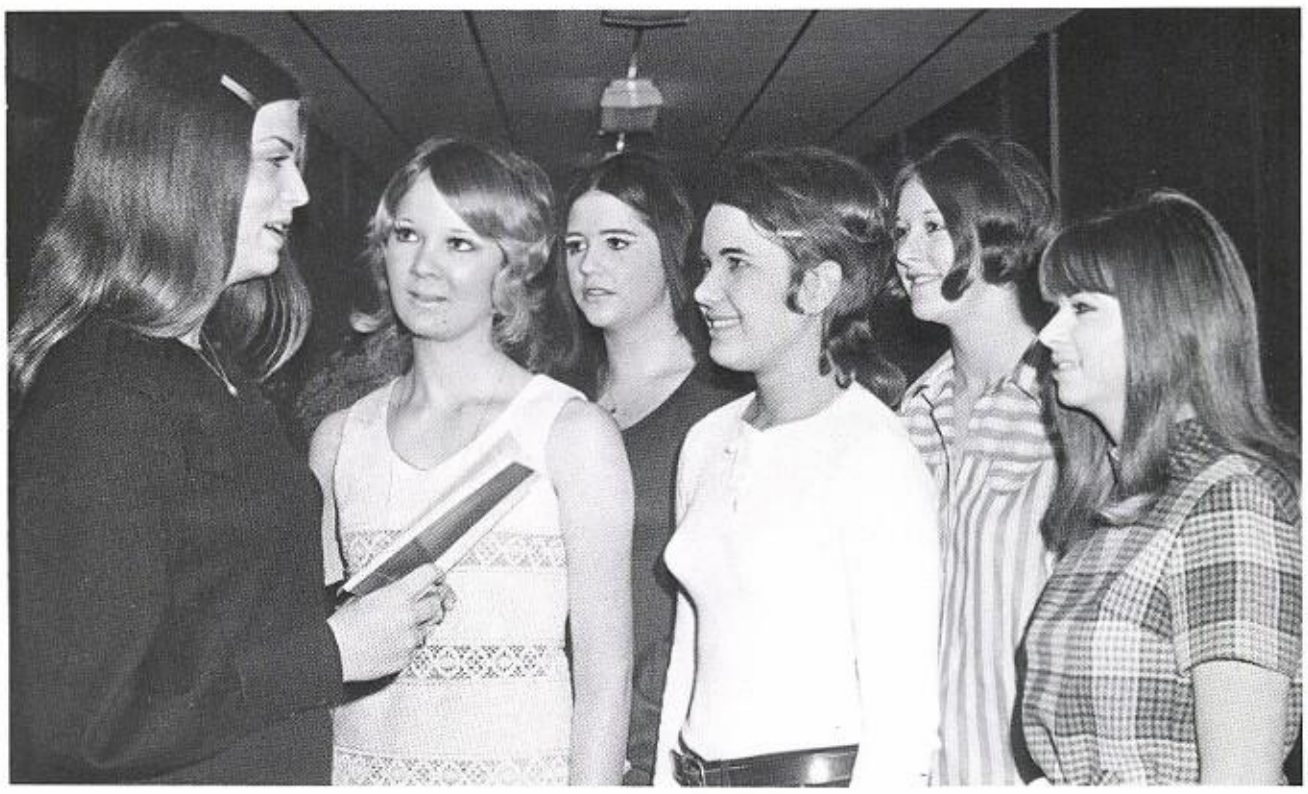
Members Volunteer For March of Dimes

Health Occupations is another branch of Vocational Industrial Clubs of America at John Tyler. The purpose of the club, sponsored by Mrs. Jean Beacham, is to promote good citizenship and leadership in the field of health. Many members volunteered for the East Texas Fair First Aid Booth and the March of Dimes.



Right: Health Occupations officers are Jana Gee, President; Deborah Raley, Secretary; Karen Abbott, Vice-President; Susan Smith, Treasurer; Lois Krahmer, Parliamentarian; Deborah Willman, Reporter.

Students Gain Experience

Industrial Cooperative Training gives experience to many John Tyler students. One of the main highlights of the year was the planning and participating in a banquet at Wyatt's Cafeteria. Individuals attended state contests and studied particular skills to prepare for leadership in a world of work. The sponsor is Mr. R. B. Pruitt.

Two New Organizations Formed At John Tyler

Two new Vocational Industrial Clubs of America organizations were formed at John Tyler. They were the Air Conditioning Club, sponsored by Mr. W. R. Corrigan and the Plumbing Club, sponsored by Mr. Mike Barron. Being a member of V.I.C.A. enabled the clubs members to attend district skill speed contests and V.I.C.A. conferences. Many students participated in trips to local manufacturers.

Pride In Competition

As the year races by, it never ceases to be felt; it never fails to be given. It is the proud competitive spirit that is expected every second of every minute in each practice. Through sports, the weak become strong and the stronger become healthier, not only physically, but mentally as well. For in winning, the student learns to be humble, and through losing—the spirit only tries harder to overcome defeat. Competition and skill interwined with a pride that never ceases to be strong—that drives to gain the most a person can give and produces not only a strong body but a willful soul as well. For in winning, the student learns to be humble. Through losing, he acquires the spirit.

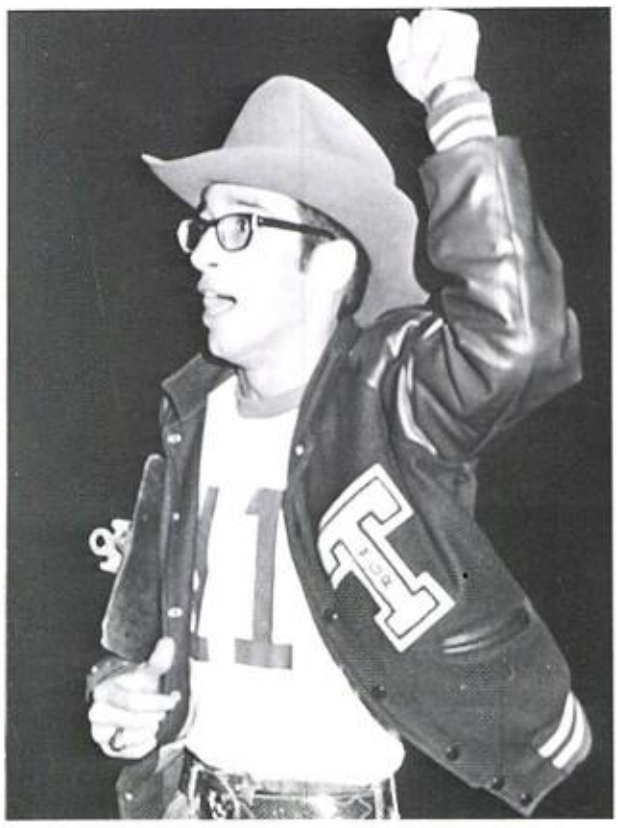
Lions Begin A New Year

With high spirits and a new coaching staff, the Lions achieved a 3-6-1 record for 1971 and placed fifth in district rating.

The mighty Lions opened the season in Greenville. Good defense by both teams and a field goal by Greenville in the second quarter left the John Tyler Lions on the short end of the scoreboard, 10-6.

The Lions then came to their own den to face the Rebels of Richland Hills. Lion halfback, Bruce Green, made a 50 yard scamper in the third quarter to put us on the scoreboard. The Rebels took the game, 19-6.

Next on the list was the Denison Yellowjackets. Neither team could put a drive together so a wet bunch of Lions came home with a tie, 0-0.



Above Left: Lion halfback Bruce Green (26) runs for a touchdown.

Lions Challenge District

District opens as the Lions face the tough Texarkana Tigers in Rose Stadium. The powerful Tigers clawed the Lions, 33-6.

The Lions finally put it all together and dished the visiting Lobos a loss. A huddle play by the Lions in the second quarter provided the win, 10-7.

First district game away and the Lions caught the Mavericks napping. The Lions destroyed the Mavericks of Marshall, 35-0.

Lufkin then appeared in the Lion den. Good defense by Lufkin and three touchdowns in the second half left the Lions short,
28-10.
A trip to Nacogdoches was next in line. The Lions looked good but fell to the Dragons,
14-10.
The Lions then invaded Palestine and quarterback Andy Cuca led the mighty Lions on to victory. The game had been dedicated to a great Lion, Debby Parker. The Lions tamed the Wildcats,
42-13.

Lee 'Passes' By Lions

A 44 yard bomb by Lee with 23 seconds remaining in the game and a 4 yard touchdown run on the next play, gave Robert E. Lee a 20-14 victory over the Lions. The Lions played a great game, but couldn't quite pull it out.

Coaches Rouse Lions On

Working hard and late, the new coaching staff of John Tyler put the spark and life in the Lions to get 'em going. The staff proved prosperous this year and brought excitement to many players and spectators. The coaches even organized a new den for the Lions. The den was equipped with plush shag carpet and a stereo tape player to add to the enthusiasm of the team.

Pride In Ourselves

The Primping begins: How to fix his hair, how to sit, which clothes to wear, to smile or not to smile . . . All in preparation of that 'click'. Yet, after the picture is taken and developed, it reveals more than a student's concern about his appearance. Whether it is through the look in his eye, or a impish grin, a sense of pride is seen. The pride of being a sophomore who has finally found his way around, or the pride of a junior, the middleman, who has established his place, or the pride of being a senior, having learned not only to find his way and establish his existence, but to survive in his world.

Seniors Plan Graduation

For the 525 Seniors, excitement began June 9 when class rings arrived. As money raising projects, the class sponsored the annual Junior-Senior Powder Puff Football game November 23, and sold 'SENIOR '72' bumper stickers. Graduation invitations and caps and gowns were ordered as the year came to a close. The class looked back at the years spent at J.T. with mixed emotions, but for most, this was the best year of all. The planning and preparations led each student a step closer to graduation—the end for some, for others, only the beginning. But for all, May 26 proved a dream becoming a reality.

Juniors Have Exciting Year

The Junior Class at John Tyler was very active this year. The students began the year's activities with a musical talent show the night of October 12, followed by a trip to the State Fair in Dallas on the 23rd. The class also sponsored the annual Sadie Hawkins dance February 12. The 599 students look with hope of a better tomorrow.

Top: Junior Class officers are Melvin Johnson, President; Carolyn Davis, Secretary; Thomas Hendley, Vice-President.
Above: Gay Hitt and Mariann Ragsdale order their long awaited class rings from Mr. Bill Henderson of the Star Engraving Company.

Sophomores Find A New Life

603 new spirit boosters came to John Tyler this year. The Sophomores participation in school activities promoted pride and interest in the school. They were faced with new experiences, freedom, and problems of being a sophomore. The class is the largest ot the three at John Tyler this year. As the year ended they were left with memories of their first year of high school. In looking back, they can laugh and realize that being a JT sophomore wasn't so bad after all!

Pride In Our Patrons

A symbiotic relationship exists between the student life and the community enterprises. While the students support the city's businesses, the city in turn, strives to show its appreciation by taking an active part in school activities. Each organ must depend on the other and work together. One without the other would have little chance at all for success. The equilibrium that is established between the two is based on pride and respect—A mutal need.

The Flag of Our Country

Robert C. Winthrop

There is the national flag. He must be cold indeed who can look upon its folds, rippling in the breeze, without pride of country. If he be in a foreign land, the flag is companionship and country itself, with all its endearments.

Who, as he sees it, can think of a state merely? Whose eyes, once fastened upon its radiant trophies, can fail to recognize the image of the whole nation? It has been called a "floating piece of poetry," and yet I know not if it have an intrinsic beauty beyond other ensigns. Its highest beauty is in what it symbolizes. It is because it represents all, that all gaze at it with delight and reverence.

It is a piece of bunting lifted in the air; but it speaks sublimely, and every part has a voice. Its stripes of alternate red and white proclaim the original union of thirteen states to maintain the Declaration of Independence. Its stars of white on a field of blue, proclaim that union of states constituting our national constellation, which receives a new star with every new state. The two together signify union past and present.

The very colors have a language which was officially recognized by our fathers. White is for purity, red for valor, blue for justice; and all together—bunting, stripes, stars, and colors, blazing in the sky—make the flag of our country to be cherished by all our hearts, to be upheld by all our hands.

I have said enough, and more than enough, to manifest the spirit in which this flag is now committed to your charge. It is the national ensign, pure and simple, dearer to all hearts at this moment, as we lift it to the gale and see no other sign of hope upon the storm cloud which rolls and rattles above it, save that which is its own radiant hues, dearer, a thousandfold dearer to us all than ever it was before, while gilded by the sunshine of prosperity and playing with the zephyrs of peace. It will speak for itself far more eloquently than I can speak for it.

Behold it! Listen to it! Every star has a tongue; every stripe is articulate. There is no speech nor language where their voices are not heard. There is magic in the web of it. It has an answer for every question of duty. It has a word of good cheer for every hour of gloom or of despondency.

Behold it! Listen to it! It speaks of earlier and of later struggles. It speaks of victories and sometimes of reverses, on the sea and on the land. It speaks of patriots and heroes among the living and among the dead; and of him, the first and greatest of them all, around whose consecrated ashes this unnatural and abhorrent strife has been so long raging. But, before all and above all other associations and memories, whether of glorious men, or glorious deeds, or glorious places, its voice is ever of union and liberty, of the Constitution and of the laws.

To John Tyler High,
We Pledge Our Loyalty.

Tradition is set by the mass. It is composed of individual respect and responsibility. Each Lion of the Pride must have loyalty to himself, to others, and to his alma mater. Although yesterday, today, and tommorrow must be treated separately, they must work together as a unit. Without one the others would not be. John Tyler will live tomorrow in our children's hearts because it lived yesterday for our parents and it lives today for us. Forever—
PROUD IS OUR PRIDE.

Carolyn
Well, we did get a class togethr this yar. Our Soph. yar is just about over. I'd say that we've had some pritty good times. I didn't learn much in Homemaking this yar (exapt how to make pies!). But, we had fun. We've been friends for a long time. I'm sure we'll continue our friendship. Good Luck for the next two years at John Tyler High. I hope they will be as much fun as this one. God bless ya. Remember to keep Him because you can't accomplish anything without Him. Stay sweet & Be good.

Love,

Carolyn,

I'm still mad at you for getting out of Geometry (Lucky) so I'll just hope you have happiness for the rest of your life and as long we're in the same country we'll be good friends.

Love ya (Forever, always, and at least until tomorrow)

Kenny

Carolyn, I'll start this page. It's a Guess I'll start during a Green page. Hmm, Somebody really likes you around & lunch you see each other. Someday remember a year. Someday & looking over, I remember you see next year. Someday & looking over, I remember you see next year. Someday & looking over, I remember you see next

Carolyn
You're a real sweet
girl that doesn't say
much in homemaking. I know
you'll make it. Good luck with
all the boys especially Cecil ♡♡
Be good & stay out
Have fun of trouble
